Professional Experience

CNA & Respite Caregiver – Family First Home Care

Peachtree Corners, GA | 2021 – Present

- Provide scheduled respite care for 4 different families, offering primary caregivers breaks ranging from 4 hours to full weekends.
- Perform all aspects of personal care for clients with varying levels of mobility, including those using wheelchairs and walkers.
- Assist with prescribed range-of-motion exercises and safe ambulation.
- Maintain detailed shift notes for family caregivers, outlining care provided and client's mood and wellbeing.

Patient Care Technician – Gwinnett Medical Center (PRN)

Duluth, GA | 2020 – 2021

- Supported nursing staff on a general medical floor with patient care, vital signs, and mobility.
 - Gained extensive experience in fast-paced environments and following specific care plans.
 - Frequently assigned to Spanish-speaking patients to facilitate clear communication.
-

Respite Care Focus

- Pre-Shift Connection: Meets with the family caregiver beforehand to understand routines, preferences, and specific concerns.
 - Seamless Transition: Focuses on maintaining the client's normal routine to minimize disruption and anxiety.
 - Detailed Communication: Provides clear, concise updates to the family upon their return.
 - Objective: To allow the family caregiver to disconnect fully, knowing their loved one is safe and content.
-

Languages

- English: Fluent
 - Spanish: Fluent (spoken and written)
-

Education

CNA Certification Program

Gwinnett College – Lilburn, GA

Completed: 2020
