Professional Experience

CNA – HomeCare Plus of North Fulton

Johns Creek / Alpharetta, GA | 2023 – Present

- Provides care for 3 senior clients, with a primary focus on safety oversight and companionship.
- Conducts in-home safety assessments at the start of each shift, identifying and mitigating potential fall hazards.
- Manages all client errands, including detailed grocery shopping adhering to specific dietary lists.
- Serves as a primary communication link between the client, family, and the agency, providing clear, detailed shift summaries.
- Frequently requested by Korean-speaking families for his ability to provide care and explain medical or logistical details in their native language.

Patient Care Volunteer – Emory Johns Creek Hospital

Johns Creek, GA | 2022 – 2023

- Assisted nursing staff by providing non-medical support to patients, including feeding, hydration, and companionship.
- Gained valuable experience in a clinical environment, reinforcing infection control and patient privacy protocols.
- Honed skills in observing and reporting subtle changes in patient condition to nursing staff.

Safety-First Approach

- Environmental Scan: Begins each shift with a visual check of the home for tripping hazards, clutter, or unsafe conditions.
- Mobility Awareness: Encourages and assists with safe ambulation, using assistive devices correctly.
- Emergency Preparedness: Ensures clear pathways and that emergency contact information is accessible.

Languages

- English: Fluent
- Korean: Fluent (spoken and written)
